***An Equal Opportunity Employer***

Since Ed Burdue & Co. LLC became signatory with the Operating Engineers Local 18, we have seen positive growth within our company. We are now able to bid more jobs as a prime or subcontractor to other various signatory contractors. We employ all skilled operators who have received the required training and updates to OSHA and safety. The hiring of skilled operators couldn't be any easier; all we have to do is call in to the local hall and tell the dispatcher what skills we need the operator to have and they will locate one for us. The organizer for the Operating Engineers Local 18 stands behind his word of honor in what he tells you. Office staff is more than thankful for the insurance and retirement benefits being handled through the union.

Overall our experience as a union contractor has been extremely positive for our company and we look forward to continue this relationship with the Operating Engineers Local 18 in the coming years.

President  
Ed Burdue & Co. LLC
